## New billboard paper

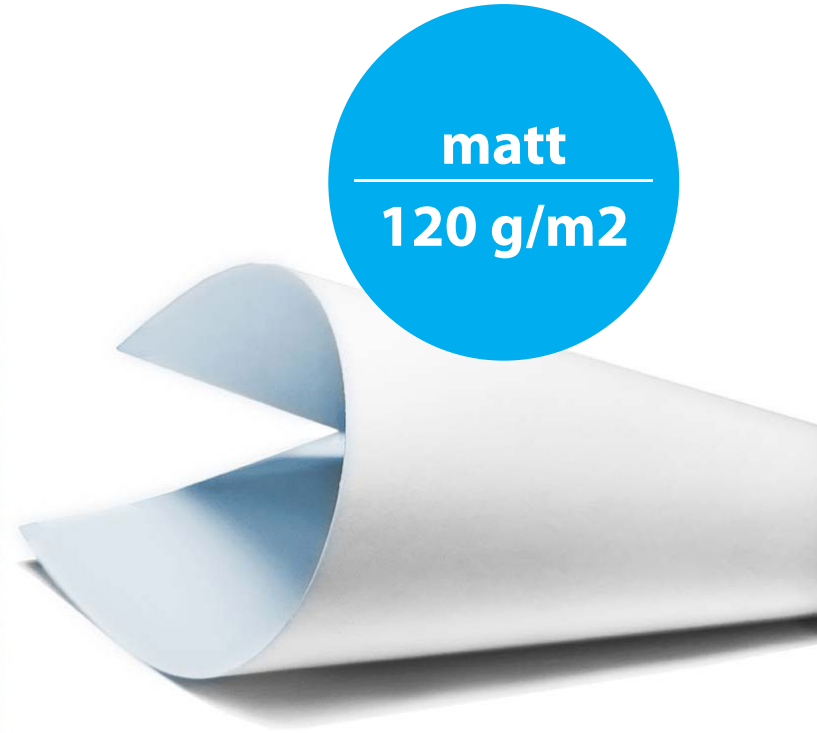

Constellation  
BLUEBACK 600

## What is Constellation 600?

It is new blueback type paper for billboard exposition.

The material has perfect opacity! Thanks to heterogeneous blue reverse, it can be successfully applied directly on an old print.

- biodegradable -

- recyclable -

- PVC-free -

### Did you know?

By choosing Ikonos Constellation 600 Blueback you contribute in the reducing of carbon dioxide emissions

We also made many pro-ecological changes in the factory. For example we installed additional solar panels. As a result we increased the share of sustainable energy in the production. This is how we contribute to reducing of CO2 emissions.

In other words by choosing our products you help the environment and the planet. Thank You!
