World-class large format printing media made in Poland

MRT PP140+ TITAN

Self-adhesive printing film

PP	140 µm	Eco-sol	LATEX	UV
removable, transparent adhesive		Widths: 0,914; 1,05; 1,10; 1,27 m		

PVC-free

PP140+

Polypropylene printing film

PP	140 µm	Eco-sol	LATEX	UV
		Widths: 0,914; 1,05; 1,10; 1,27 m		

high resistance | long durability | no shrinkage | high printing quality | indoor & outdoor application

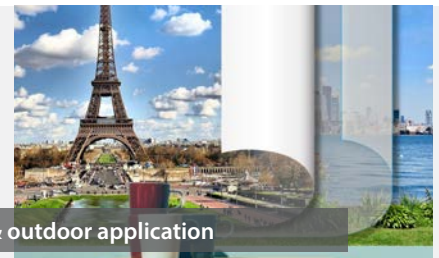

IKO-2 DOUBLE

Innovative mounting film

PP	50 µm			
permanent, transparent adhesive		Width: 0,914 m		

high resistance | long durability | PET protection layer | strong adhesive | indoor & outdoor application

PVC-free laminates

Antigraffiti

GPT_ANT-75+

Print protection from vandalism

PP	75 µm
permanent, transparent adhesive	
Width: 1,27 m	

high resistance | long durability | transparency | strong adhesive | indoor & outdoor application

Easy Erase

LAM-PRO DW38+ EASY ERASE TRANSPARENT

Dry-erase film

PET	38 µm
permanent, transparent adhesive	
Width: 1,24 m
